4. PAYMENT AND CREDIT REGULATIONS (Cont'd)

4.3 Denial of Access to International Message Telecommunications Service by the Company

The Company expressly retains the right to immediately deny the access to service without incurring any liability for any of the following reasons:

- (a) Nonpayment of any sum due for service provided hereunder, where Customer's charges remain unpaid more than ten (10) days following notice of nonpayment from the Company. Notice shall be deemed to be effective upon mailing of written notice, postage prepaid, to Customer's last known address; or
- (b) Customer's acts or omissions which constitute a violation of, or a failure to comply with, any regulation stated in this price list governing the furnishing of service. Where the violation or failure to comply does not constitute a material breach or does not pose any actual or threatened interference to the Company operations or its furnishing of services, the Company agrees to give Customer ten (10) days notice of such violation or failure to comply prior to changing access to service; or
- (c) The implementation of any order of a court of competent jurisdiction, or federal or state regulatory authority of competent jurisdiction, prohibiting the Company from furnishing such service; or
- (d) Where Customer has failed or neglected to tender any additional or required security deposit within ten (10) days of demand by the Company.

Customer's deposit and accrued interest shall be applied to all cancellation charges applicable to the service offering received by Customer.

4.5 Reinstitution of Service

INTERNATIONAL MESSAGE TELECOMMUNICATIONS SERVICE

4. PAYMENT AND CREDIT REGULATIONS (Cont'd)

4.6 Discontinuation of Service

The Customer's service shall automatically discontinue upon discontinuation of the Customer's subscription to the Company's Interstate Telecommunications Service.

4.7 Billing Disputes

In the event Customer disputes any charges billed by the Company, Customer may withhold from payment to the Company the disputed portion of any billing pending resolution of the dispute, provided Customer submits to the Company an itemized statement in writing which identifies the disputed charges and reasonably explains the basis of the dispute. Customer's explanation must be received by the Company within ten (10) days of the bill date of the disputed bill. Failure to comply with this requirement shall mean the bill is deemed to be correct and all amounts are due and owing the Company. The Company shall resolve the dispute within thirty (30) days of receipt of the Customer's statement. The Company will review the Customer's statement and make a determination of whether any billing adjustment should be made into Customer's account. In making such determination the Company will consider all relevant and credible information provided by Customer as well as any other information reasonably available to the Company. The burden of proof to establish any right to billing adjustments in Customer's favor shall be solely upon Customer.

In the event Customer does not agree with the initial determination by the Company relating to amounts in dispute and adjustments, if any, which the Company may agree to make, Customer shall so advise the Company and within ten (10) days following the Company's initial determination shall submit to the Company any additional information which Customer deems pertinent or relevant to the dispute. Within twenty (20) days of the Company's receipt of additional information, the Company shall make its final determination based upon all documentation or information available to the Company. In the event the Company lacks credible evidence to substantiate Customer's position after a reasonable review of and consideration of such information available, the Company shall notify Customer and, if the Company determines that all or any portion of such disputed amount is still owed, Customer shall be required to tender payment of such amount within ten (10) days thereafter. If Customer withholds the disputed amount thereafter, or within the time required, fails to provide supporting information in writing which sets out a legitimate basis under this price list for disputing any charges, Customer's account shall be deemed to be past due and unpaid. In such event, the Company shall be entitled to deny Customer's service immediately and/or require an additional deposit.

If the billing dispute is resolved in favor of the Company, any payments withheld pending resolution of the dispute shall be subject to a late payment fee of 1.5 percent per month for the period during which such charges remain unpaid.

4.9 Bank Charges

In the event that a check or draft tendered by a Customer is returned, a fee based on the policy of the local exchange telephone company which serves the customer will apply. The fee will be assessed when a check or instrument issued by a Customer is returned without payment for any reason whatsoever, unless the return is a bank error, in which case documentary evidence is required to waive the fee.
